The 1991-92 Wrestling Team was one of the younger teams G-A has had in resent years with 12 freshmen. Despite its youth, the team won half its dual meets during the regular season, and won the ten team G-A Tournament. We also had two Tri-League Conference Champions — Junior Captain Tim Sullivan and Senior Captain Kevin Thomas. The future looks great with only graduating 2 seniors and 16 returning wrestlers from this years team.

Pomp and Circumstance

Memories flash before me as I glance
at the anxious faces of my friends.
I fondly remember all the good times
we've shared through our thirteen
years together.

As the final moment approaches,
Our hearts pound with excitement and
sadness.
We hold each other and cry,
realizing how final this day seems.

The familiar music envelopes me as it
fills the hot, crowded gym.
this is our cue to begin our final walk
together as one.

I try to hold on to the moment,
time can't stand still.
We finally begin our walk,
challenging the future vis a vis.

Success is seldom achieved alone. There's a partnership that makes it happen. For more than 25 years, CHIC UNIVERSITY of COSMETOLOGY has been a part of that partnership . . . with programs that schools throughout the country look to for direction . . . state-of-the-art classrooms and clinic . . . that blend technical skill with the aesthetics of art . . . and certified professionals who think and feel like you do. The result? Graduates in demand by the leading hair design studios and salons . . . being successful and having fun in their chosen profession.
